MINISTRY OF INFORMATION & BROADCASTING
(AUDIT BUREAU OF CIRCULATION)

FINAL RENEWAL NOTICE

A valid ABC certificate is mandatory for all publications to get listed and remain on Central Media List (CML). Non-renewal of ABC certificate by a publication may lead to removal from Central Media List.

All publications, whose ABC certificate has expired but they haven't renewed it, are advised to get their certificates renewed, by submitting their cases, complete with all necessary documentation, at their prescribed ABC/PID office,

before September 07, 2022

In case of failure, Audit Bureau of Circulations would recommend the names of the non-compliant publications for removal from CML, resulting in stoppage of release of government advertisements to the publication.

would be allowed, under
any circumstances.
